Westalee Ruler Basics / Sampler Quilt #1

Instructor: Rose Skelly **Phone:** (520) 490-3417 (Texting is best)

Supply List

The following supplies are available for purchase from Cathey's with the exceptions of the fabric.

- Ruler Foot package by Westalee Design and Sew Steady. Package includes the Ruler Foot, 12" arc template, and stable tape. Be sure you have purchased the correct shank ruler foot for your make and model of machine.
- Spacing gauge by Westalee Design and Sew Steady
- Extension table for your sewing machine.
- Grid Glider by Sew Steady or Sew Slip Teflon sheet
- 4 - 10" square quilt sandwiches with 6 1/2" squares drawn in center of each square
- Medium color Mettler Metrosene thread that will show on your fabric squares. Wind a bobbin with this thread. You can choose a cotton thread if desired if you are sure your machine likes the thread.
- 80/12 Microtex and/or 80/12 Denim and/or 90/14 Quilting and/or 90/14 Embroidery needles
- 8 Gb or more USB stick or external hard drive to receive videos of the class
- Basic sewing supplies like scissors, fabric marking pens, etc.

Prior to Class

- Follow the ruler foot directions to familiarize yourself with how to attach the foot to your machine.
- Watch the Sew Steady YouTube video, "Ruler Foot Install". https://www.youtube.com/watch?v=USRCHZ9njHM

If you have any questions, please contact me! I much prefer questions prior to class rather than having you or anyone else guess.

I look forward to seeing you in class!
