Embroidery Machine with all parts needed for embroidery
Purely Gated Blackboard Art designs loaded to a USB stick
5" x 7" hoop (minimum size) If desired, 8" x 12" hoop
If you want to the larger designs bring that hoop & fabric accordingly

Fabrics Needed:
Half yard of black tone on tone or solid black fabric
One yard of colorful print fabric (to be used as coordinating fabric)
Several Floriani threads (pull colors that show up well on black & match the print fabrics)

Prior to Class:
Please bring your black fabric & the desired hoop.
Also bring the colorful print fabric
Review the Blackboard Art designs for colors
Decide which design you'll be using as your first design. If time allows, we can do a second design.

At the class, I'll be providing instructions on how I've made my machine mat project.
