SERGERs

Serger Basics #1

Included models are: *All overlock sergers*

In this session you will become acquainted with the basic workings of your serger. We'll identify the parts of the machine, thread the machine from scratch, sew basic overlock stitches, explain tension, and differential feed and how to use it. Bring your machine, accessories, foot pedal, instruction manual, machine needles, scissors and a spool of colored thread for each threading path in the colors designated for that path.

(S)	Fri	Sep 7	2:00-4:30
(S)	Sat	Oct 6	09:30-12:00

Brother ScanNCut

In this class, you will learn how to adjust the blade and pressure to cut fabric for appliqué, adhesive and heat set vinyl and decorative paper. No computer or software needed.

(S) Tue Sep 25 1:00-3:00
(S) Tue Oct 23 1:00-3:00
(S) Mon Nov 19 1:00-3:00

(O) Tue Sep 4 2:00-4:00
(O) Fri Nov 16 10:00-12:00

(D) Mon Oct 1 10:00-12:00
(D) Tue Nov 6 10:00-12:00
(D) Tue Dec 18 10:00-12:00

Floriani Total Quilter I

Floriani Total Quilter is a 3 in 1 software that includes My Decorative Quilter, My Quilt Builder and Appli-Quilt. Class one will cover embellishing techniques in My Decorative Quilter II. We will use the many motif stitches, stippling patterns, textures, etc. to embellish a one of a kind quilt.

(S) Wed Dec 5 9:30-11:30

Floriani Total Quilter II

In the second class, we will focus on the Appli-Quilt and My Quilt Builder modules of the software. With Appli-Quilt you create your own applique blocks and decorative blocks using the motifs and decorative stippling. My Quilt Builder allows you to layout the quilt using blocks created in Appli-Quilt or importing your own artwork. The possibilities are endless.

(S) Wed Dec 12 9:30-11:30
