

## **Supply list for Damask Birdhouse Free Standing Lace Embroidery**

**Classes: Wed. Feb. 27 & Wed. March 6**

**Time: 2 PM -5PM**

Purchase Damask Birdhouse embroidery design from: Embroidery on Line OESD # 12503 through Cathey's. Have the designs loaded into your embroidery machine in the correct format before class.

### **Fabric for applique:**

¼ yard of brocade like fabric ( Joann's) I just reversed the fabric to get a different look rather than buying 2 fabrics.

**Embroidery machine in good working order must have a 5X7 hoop, also bring a 4X4 hoop for the smaller designs.**

### **Needle:**

Put a new needle in machine before class 80/12 titanium recommended.

### **Thread:**

Embroidery thread to enhance fabric. I used Floriani. Available at Cathey's.

Wind bobbins with the same embroidery thread as used in the needle. Must use same thread to achieve the correct look.

### **Stabilizer:**

Water-soluble stabilizer or film water-soluble stabilizer. I used Floriani Wet N Gone available at Cathey's.

Pair of tweezers, hemostat, stiletto or a tiny crochet hook to insert buttonettes into eyelets. I will bring my tools. Alligator clamps also works.

### **Basis sewing kit:**

Embroidery scissors, plus fabric scissors.

I will bring a dowel rod cut to size to be used for the perch. You can paint it later if desired.

I will bring a few hot fix crystals, and a Rhinestone Setter to demo decorating the birdhouse. These are available at Cathey's. (They are fun for embellishing many projects)

**Call 520 399 9236 or email [katiempleton@cox.net](mailto:katiempleton@cox.net) for questions. I will be glad to help.**
