## *Instructions for Marking Fabric*

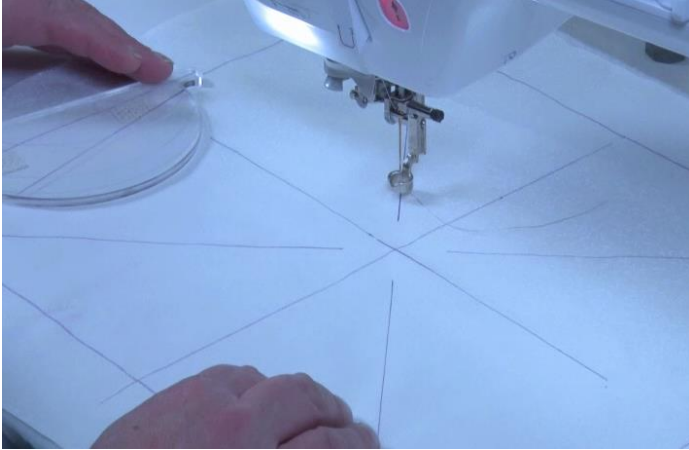

### **Block 1**

Mark finished block size 15x12  
Mark center of block

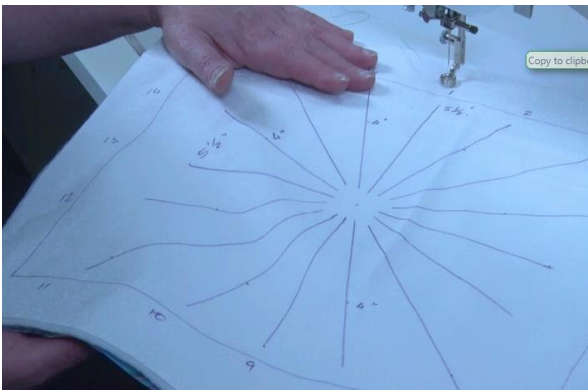

Then mark 3 inches from each side

Then place marks every three inches along the line and one border of block

## Block 2

Mark 15x12 with center markings then all cross hair markings.

## Block 3 and 4

We will mark these block in class  
Bring blocks with 15x12 marking.

You will draw 16 rotations and number them 1-16 starting at the top (12 o'clock).

Then measure from center on lines

- 5 ½ inches from center and mark a dot on lines 1,5,9,13
- 7 inches from center and mark a dot on lines 3,7,11,15
- 4 inches from center on the rest of the lines.

The other block will have 16 lines too.

- 6 inches from center on main lines 1,5,9,13
- 6 inches from main diagonal 3,7,11,15
- 3 inches from all other lines

Final block marked with 16 rotation lines. Mark 5 ½ inches from center on all lines.

If you have any questions, please call. I look forward to seeing you in class!
