    - 4 quilt sandwiches. Mark as follows:
        - Block 1- 16" square - Draw a 12" square in center. Using the cross hair square, mark center and draw 8 lines. Rotate and draw additional 8 lines for total of 16. Connect the lines through the center dot. Draw a mark 5 1/2" from center on all lines. See picture on next page.
        - Block 2 - 16" square - Same as Block 1 above except an additional mark at 3 3/4" from center on all lines. See picture on next page.
        - Block 3 -16" square - Draw a 12" square in center.
        - Block 4 - 19" X 16" rectangle - Draw a 15" X 12" square in center. Draw diagonals from corner to corner. Do not use the cross hair square for this. On the horizontal and vertical lines, draw a mark 5" from center. On the diagonal lines, draw a mark 3" from the center. See picture on next page. Ignore the 5 ½" in the picture.
