- Prepare and mark the top fabric of the following quilt sandwiches. Mark the fabric without batting underneath. You may use scrap muslin and a low loft cotton batting.
The 16" square block sizes below are not the actual Block D Sampler Quilt sizes. These are for practice. For real size Block D, cut 16" X 19" quilt sandwiches. Mark Block 2 & 3 as follows. Mark Block 1 according to picture on next page.
 - 3 - 16" square quilt sandwiches. Mark as follows:
 - Block 1 - Draw a 12" square in center. From 1 side of the 12" square, draw a vertical line, 3" in. Along that side of the square and the newly drawn line, make small marks at 3", 6", and 9". On the remaining 9"X12" section, draw the 2 diagonal lines and 1 vertical line (parallel to the 3" line)
 - Block 2 - Use cross hair square and mark center dot and the 8 lines
 - Block 3 - Use cross hair square and mark center dot and the 8 lines. Rotate the cross hair square and draw 8 more lines for a total of 16. Place a mark 7" from center on the main diagonal lines. Place a mark at 5 1/2" from center on the vertical and horizontal lines. Place a mark at 4" from center on all the other diagonal lines. See picture on next page
- Medium color Mettler Metrosene thread that will show on muslin. Wind a bobbin with this thread. You may use any thread your machine likes.
- 90/14 Quilting and/or 90/14 Topstitch needles and/or 80/12 Microtex and/or 80/12 Denim. Janome machines should use Purple Tip needles
- 32 Gb or more USB stick or external hard drive to receive videos of the class
- Basic sewing supplies like scissors, fabric marking pens, pins, etc.

If you would like me to supply a practice muslin quilt sandwich, please let me know several days ahead. The fee for the quilt sandwich is \$8, payable at class, cash only.

If you have any questions, please contact me! I much prefer questions prior to class rather than having you or anyone else guess.

I look forward to seeing you in class!
