

ScanNCut Card Project

- CanvasWorkspace downloaded and installed on computer, and you are able to login.
- <https://canvasworkspace.brother.com/en> is the website to login and download the application
- Bring computer, power cord and a mouse. You can bring a notepad and pen/pencil.
- If you need help downloading, installing or logging in to CanvaseWorkspace for PC, please call me at 520-603-8839 or email me at natalie@catheys.com
- ScanNCut machine and power cord
- Low tack mat
- Universal pen holder or the pen holder and markers that came with the ScanNcut.
- If you have a gel pen or fine sharpie (I will have pens to use)
- I will provide the paper for the project
-
