

Thread Catcher Supply List

Instructor: Colleen Hughes

Fabric Requirements:

Pin Cushion	6" x 10"
Straps	3" x 8"
Catcher Bag	10" x 18"
Catcher Lining	10" x 18"

The above fabrics may be all the same. For added interest, you may want to get coordinating fabrics for a more fun thread catcher. If you would like the bag to have embroidery, you will need to have the embroidery done **prior to class**. You will place the design in the **middle** of catcher bag fabric.

It must be done with the design upright & more of the fabric on the left & right of design. Please call me for specific direction if you aren't quite sure what I mean.

Note:

If you would like iron-on vinyl for inside of your bag, I will have some available for purchase @ \$5.00

**Consisting of iron-on vinyl for inside of your bag, sand & strapping
Otherwise, you may use a sew-in vinyl.**

But not clear & shiny!! (It sticks to itself & difficult to work with)

Basic Sewing Supplies & Sewing Machine:

Sewing machine w/ all its parts & accessories.
