*"My first purchase at Cathey's was in early 2002, of a new cabinet for my pfaff 7570. Over the years I have attended classes, events, tech parties, holiday events, purchased and traded machines, and basically made Cathey's an integral part of my life in Arizona. Yes, it's a great store, but it's also an extended family, where we all feel like we're part of the process - more than just customers. That all starts with Donny - the way he knows his customers, asks about what's going on, and those famous Donny hugs!" - Jill Chamberlain*

*"Donny is not just a friendly face with a warm, inviting smile. A very kind and honest man, Donny has built Cathey's Sew and Vac into a business that is the benchmark for others to emulate. I am so thankful for Cathey's - I know that when I do business there (which is quite often), I will be treated fairly by any of the employees. The community outreach, like Mending Souls, that Donny has fostered is testament of his dedication to others. Thank you, Donny, for all that you are, and for all that you do! You are appreciated more than you know!" - Kathy Hutson*
