- * Batting - either for doing background quilting before your embroidery or a piece for your quilt
- Water-soluble bobbin thread - optional but I highly recommend
- * Fabric : As you might imagine the fabric list vary widely from month to month of these quilts. Once you have decided on the quilt you plan on doing in club let me know and I can get you a list of needed fabric.

Note: I did purchase Kimberbell's background quilting bundle. I loaded the Block-By-Block quilting design first and then added the embroidery file. You can simply do the embroidery designs and then join the designs to make the quilt top. I can help you do either version.

Also if you decide not to buy the embellishment pack I can get you a list of needed specialty items to complete your quilt. Remember all of this information is also available in the design files on the CD.
